Design & Technology Teaching is published three times a year — Winter, Spring and Summer.

The journal focuses on developments in Design and Technology across all phases of education. It provides a forum for sharing and developing expertise in all the contributing areas of design and technology: art and design, business studies, CDT, home economics and information technology. It covers news, information, reviews of materials and resources and case studies of good practice. Design & Technology Teaching is distributed free of charge to members of The Design & Technology Association.

Contributions

Contributions are welcomed, and prospective authors are invited to send a synopsis of their article to the Editor, Design & Technology Teaching, DATA, 16 Wellesbourne House, Walton Road, Wellesbourne, Warwickshire CV35 9JB.

Reviews

Books and resources submitted for review should be sent to the Editor, at the address above.
