Design & Technology Teaching is published
three times a year — Winter, Spring and
Summer.

*The journal focuses on developments in Design
and Technology across all phases of education.
It provides a forum for sharing and developing
expertise in all the contributing areas of design
and technology: art and design, business
studies, CDT, home economics and information
technology. It covers news, information,
reviews of materials and resources and case
studies of good practice. Design & Technology
Teaching is distributed free of charge to
members of The Design & Technology
Association.*
