**Design & Technology Teaching** is published three times a year — Winter, Spring and Summer.

*The journal is designed to focus attention on developments in the whole field of Design & Technology and across the age phases of education. It provides a forum for sharing and developing the expertise from the contributing areas of art and design, business studies, CDT home economics and information technology. It pays particular attention to the development of technology as a new subject and brings together a wide range of design and technological experiences by providing case studies of good practice.*

Contributions are welcomed and prospective authors are invited to send a synopsis of their article for discussion before completion of the final manuscript. All correspondence concerning contributions and books for review should be sent to the Editor, **Design and Technology Teaching**, The Design and Technology Association, 16 Wellesbourne House, Walton Road, Wellesbourne, Warwickshire CV35 9JB.

All correspondence concerning Design & Technology Association subscriptions should be addressed to DATA, 16 Wellesbourne House, Walton Road, Wellesbourne, Warwickshire CV35 9JB.
